

AUTHORIZATION TO MARK

This authorizes the *application* of the Certification Marks *shown below* to the *Product Covered* (also to the multiple listee model *identified* on the correlation page of the Listing Report where applicable) when made in accordance with the Description and under the conditions set forth in the Certification Agreement and Listing Report.

Applicant: J & L Refrigeration & AC Inc.
2025 J & C Boulevard – #6
Naples, FL 34109

Contact: Name: Jack Puterbaugh Phone: 239 591 2828

Manufacturer: Same as Applicant

Party Authorized to Apply Mark: Same as Applicant

Report No.: 3023559-001

Report Issuing Office: Cortland HVAC, 3933 US Route 11, Cortland, NY 12032

Product Covered: The products covered by this report are Geo Thermal Pool Heaters, Models AQ-140H, AQ140-C, AQ-54H and AQ-54C.

Description: The products covered by this report are water source pool heaters. The appliances unitize a refrigerant to water heat exchanger on the condenser side to heat the pool water and a refrigerant to water heat exchanger on the evaporator side to gain heat from the source water. The source water on the evaporator side is drawn from a well or some other supply of water. The units may also be piped to cool the pool water by reversing the evaporator and the condenser. The units are intended for outdoor installation and are intended for permanent connection to power and water supplies. All units are shipped to be assembled on site and are provided with all components necessary for assembly.

Standard(s): ANSI UL 1995 2nd Ed.

This document is the property of Intertek Testing Services and is not transferable. Only the Applicant may reproduce this document. The certification mark(s) may be applied only at the above noted location of the Party Authorized to Apply Mark.
